Dear [redacted]

We want to thank you for accepting our invitation to address the Midcareer Course. Your session is scheduled for Wednesday, 10 April, from 1345-1435, in the Chamber of Commerce Building, 4600 North Fairfax Drive, Arlington, Virginia.

This Midcareer Course consists of 30 middle-level professional intelligence officers from all parts of the Agency. They represent a broad range of backgrounds and experience. Most of them have been with the Agency for about 13 years.

The scope note suggested is:

Each of the military services is involved in the Intelligence process. Our speaker will present the USMC's contribution to that process and to the Community. Mr. Gunther will also address the involvement and interaction of the Marine Corps with the Agency.

Please feel free to modify this scope note in any way which you feel would better represent the content of your presentation.

To facilitate entering our building on a continuing basis, would you please have your SCI accesses permanently certified through your SSO network to CIA's Compartmented Information Branch, Office of Security, for passage to the Office of Training and Education. If you have a top secret clearance, please have it certified to Chief, Clearance Division, CIA or call [redacted] for passage. Following receipt of this information, we can make arrangements to give you unescorted access during your visits to the Chamber of Commerce Building.
